STATION YARD, CARSEVIEW ROAD, FORFAR DD8 3BT

**June 2025 Issue 38**

## **Thank you to those who attended our robotics demo day!**

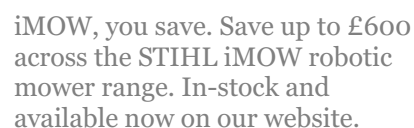

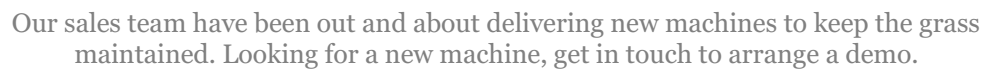

We held our first robotic mower demonstration day at Crathes Castle this June. Despite the on-and-off rain, we had a great time demonstrating the capabilities of our Husqvarna robots and discussing their features with you. A huge thank you to those who took the time to come along and chat with us, even if you did get caught in a few showers! We look forward to hosting our next demonstration event soon, so keep an eye out!

## **Putting Polaris to the test!**

Our Polaris Diesel RANGER was out and about being put to work during lambing season. Between manoeuvring challenging terrain and handling difficult weather conditions, this machine stood up to the test. Get in touch to arrange a demo!

This month, we attended a local careers fair with partner company A.M. Phillip to discuss our open apprentice roles. It was great to learn more about those looking to enter the industry. Learn more about the roles on our website.
